

- SEA POWER OUTBOARD

**SEA POWER OUTBOARD** is premium marine outboard engine oil specially developed for the lubrication of all types of water cooled marine 2-stroke engines including Jet Skis and Sea Doos. It is suitable for direct oil injection and petrol/oil premix engines and meets the stringent outboard marine specification NMMA TC-W III. In addition it complies with or exceeds the latest performance requirements of all major outboard manufacturers such as Yamaha, Suzuki, Honda, Tohatsu, Mercury, Johnson, Evinrude and Force.
